

Position: Aesthetician

Description:

East Valley Women's Skin & Laser Group is currently seeking skilled Aestheticians to provide exceptional Skin services in an OB/GYN professional medical atmosphere.

As an East Valley Women's Skin & Laser Group Aesthetician you will strive to be the most technically advanced and educated skin care expert, committed to positively enriching returning clients, OB/GYN employees and new clients.

Exceed customer needs and expectations by providing individualized Skin and Facial services and Treatments.

Responsibilities:

- [] Provide skin care services, including facials, body treatments, hair removal and waxing.
- [] External / Internal Marketing for new clients
- [] Serve as an expert in Skin Analysis and Maintenance Regimens
- [] Remain informed and educated on East Valley Women's Skin & Laser Group's retail product offering (PCA Skin)
- [] Promote and Sell Skin Care Products, Services and Treatments
- [] Uphold the East Valley Women's Skin & Laser Group's Mission, Vision and Core Values, consistently increasing guest retention and service sales and maintain a minimum retail sale per guest.

Qualifications:

- Aesthetician license in State where work is to be performed
- 1 - 2 years of experience preferred with established clients or just starting out
- Strong professional presentation, technical ability and relationship building
- Ability to excel in an environment that sets goals, tracks progress, and strives for growth

Compensation: Services: 50 split :: Products: 40 Split
